

## Spurs Jesus

For over a decade, Spurs Jesus has taken his love for the Spurs and San Antonio to the next level becoming a household name and San Antonio icon. You might catch him driving by in his custom Spurs mobile, a '73 Buick Electra, at a Spurs game, or around town at local events and charitable causes. You might see him in your social media feeds @spursjesus or hear him on your radios during his weekly segment the SA-Town Shoot-Around with Xavier the Freakin Rican on Vibe 107.5. Beyond the arena, he's honed his skills as a seasoned professional in social media and digital marketing, helping brands thrive in the digital landscape. With nearly two decades as a proud downtown resident, he's witnessed the heart of San Antonio's vibrant culture firsthand. Fiesta season is an annual highlight, where he joins the city in celebrating its rich heritage. But above all, he finds his greatest joy as a loving husband and devoted father.
